COURSE FEATURES

Application of matrimonial law in relation to family mediation to be conducted by our trainers with rich experience in both the legal and family mediation professions. Simulations are supported by coaches from both legal and counseling background.

Practical skills and knowledge on handling conflicts, imparts with high emotional intensity as well as deadlocks involving inter-personal dynamics and financial issues will be imparted through **lectures, case demonstrations or video shows as well as interactive exercises and simulations.** Cases are extracted from typical local cases.

With the ample experiences in working with family mediation cases in local society, the trainers will share the handling of typical cases in HK society including cross-border divorce, cases with disputes on custody, access, different types of assets, interfacing of mediation and court system.

The Training is based on the Facilitative Model of Mediation which is widely adopted in common and civil law systems.

Chinese Manual will be used.
